Discover your processes.

Generate visual and actionable insight about your process from raw data in less than 5 minutes.

The revolutionary process mining technology in Disco helps you to create beautiful visual maps from your process data in minutes, not weeks.

Optimize performance, control deviations, or explore variations — Disco does it, easy and fast.

(Requires Windows 7 SP1 (x64) or later)

WELCOME TO DISCO

In just four simple steps, we will have you up and running.

Software License Agreement

Please find the end user license agreement for our software (EULA) below. Read it carefully, and let us know (at support@fluxicon.com) if you have any problem with it. Using our software requires that you accept this license. **Thanks for your understanding.**

FLUXICON DISCO LICENSE AGREEMENT

This Agreement is a legal agreement between you (either an individual or legal entity) and Fluxicon BV (hereinafter: "Fluxicon") for the use of the Disco application.

The Disco application, together with all materials included in or distributed through it (hereinafter collectively: "Disco"), is licensed, not sold, to you by Fluxicon. Fluxicon reserves all rights not expressly granted to you within this Agreement.

By downloading, installing, copying or otherwise using all or any portion of Disco you agree to be bound by the terms of this Agreement. If you do not agree to this Agreement, do not use Disco.

LICENSE GRANT

Fluxicon may, at its sole discretion, grant you a Demo License or a Commercial License.

If you have not purchased or otherwise rightfully obtained a Commercial License, the Demo License Terms (A) are applicable to your use of Disco. The Demo License Terms are also applicable to any usage of Disco by you that is not covered under any other licenses you may have.
